

## Fretz Brothers Win Doubles Tennis Championship of Narberth Assn.

DEFEAT KIRKPATRICK AND STAPLES IN HARD FOUGHT FOUR SET  
MATCH—JUNIORS' TOURNAMENT UNDER WAY WITH FINALS  
SCHEDULED FOR THIS AFTERNOON—BIG DAY NEXT SATUR-  
DAY, SEPTEMBER 24, ON LOCAL COURTS

A new team of Doubles Champions came to town last Saturday afternoon in the final match in the Doubles Tournament of the Narberth Tennis Association, in the persons of the Fretz brothers—Bob and Frank. They defeated Kirkpatrick and Staples, veteran members of the Association and several times doubles champions.

Last Tuesday the Junior Tournament started and matches have been played every afternoon this week on the courts at Haverford and Montgomery avenues. The boys are putting up an excellent brand of tennis and are expected to reach the final and championship round this afternoon, Saturday, September 17.

Next Saturday afternoon, September 24, will be one of the biggest times of the season. The final match in the singles for the championship of 1921 will be played, and in addition there will be a club match between selected representatives of the Narberth Association, and members of the Bucks County Country Club of Langhorne.

### Fretz Brothers Win Uphill Battle

The Fretz brothers' victory was no easy accomplishment. Kirkpatrick and Staples have played through many a tournament, and to beat them, an opposing team not only has to play mighty good tennis, but be on their toes all the time. As a matter of fact in last Saturday's match Kirkpatrick and Staples took the first set 6-3, and had a lead of 5-2 in the second, and it looked as though they would gather in the second, which would have given them a lead which would have been extremely difficult to overcome.

annual match, which will probably be played on a mid-week date so as to make possible the final and deciding match next Saturday afternoon, September 24. Whoever wins the Warwick-Fretz contest, the final match will be well worth seeing.

### JUNIORS PLAY LIVELY TENNIS IN OPENING ROUNDS OF TOURNAMENT

The singles tournament of the junior members of the Narberth Tennis Association opened on Tuesday afternoon. Matches were also played on the other afternoons and the boys expect to reach the final championship contest this afternoon.

All the matches were worth watching but several of them were especially good. Aldine Siler and Gordon Rudolph fought out a hard battle which the former finally won after losing the first set, 2-6; the last set going to 8-6. Donald Brown forced Horace Wanamaker to three sets.

But the most closely contested match was between Ed Gilfillan and Horace Wanamaker. Ed won the first 6-2, then Horace turned the tables and won the second 6-3, and then came a regular marathon. It finally ended 11 to 9 in Ed's favor, but it took almost all afternoon to finish the match.

PRELIMINARY ROUND—E. Gilfillan won from W. Weld by default. A. Siler defeated G. Rudolph 2-6, 6-2, 8-6. H. Wanamaker defeated D. Brown, 6-0, 4-6, 6-0. H. McCarter won from C. Kremer by default. H. Vallette vs. T. Atkins, double default.

But the Fretz brothers suddenly took fresh and determined grips on their rackets and played every shot as though their lives depended on it. They won five straight games and took the set 7-5. The third set, while by no means as hard as the second, was bitterly contested and went to the Fretz brothers 6-3. The fourth and final set "fell on the block" to the tune of 6-2.

To reach the final match, both teams had played their semi-finals matches earlier in the same afternoon. The Fretz brothers defeated Allen and Gragan in a battle that up to the very last looked as though it might go to either side. Fretz and Fretz finally won 6-3, 2-6, 7-5. In the lower bracket Kirkpatrick and Staples defeated McKell and McCahill 6-4, 6-2.

### Earl Warwick Wins Consolation Singles

But speaking of new champions, you are respectfully invited to look upon the new consolation singles champion, Earl Warwick, brother of C. Laurence, and the only member of the association who wears a Panama hat during play. Earl won his honors last Saturday. After defeating Smedley 6-0, 7-5, in the semi-finals, he met and defeated M. Allen in the final round, 6-2, 6-4, 6-4. In the upper bracket Allen had won his semi-final match from Scanlin, 6-2, 8-6.

In the Singles Championship round only one match was played last Saturday but that was well worth seeing, and came near resulting in an upset. It was the contest between Thorny Gragan, runner up in last year's singles, and Jim Follin. It only went to two sets but after it was all over, Thorny admitted frankly that Jim almost "had him." Gragan took the first 6-3 and the second went to 7-5 before Follin was beaten. Gragan now goes into the final round, to meet the winner of the Laurence Warwick-Bob Fretz semi-

R. Gilfillan won from E. Lane by default.

FIRST ROUND—W. Wanamaker won from E. Davies by default; C. Metzger won from R. M. Savill by default; E. Gilfillan won from F. Van Auken by default; H. Wanamaker defeated A. Siler, 6-3, 6-3; H. McCarter advanced.

## Special Letters on Board Question

In response to the invitation in these columns last week, offering to publish letters from or in behalf of candidates for School Director, the following communications have been received by the Editor:

To the Editor of Our Town:

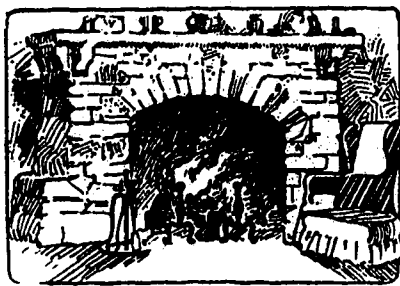

When Mrs. E. C. Batchelor accepted the appointment to fill a vacancy on our School Board, public approval was practically unanimous.

Mrs. Batchelor, as President of the Women's Community Club, has been and is in touch with community affairs, and is further qualified by an experience as a teacher and an interest and real ability in handling school matters which she has already demonstrated. The voters approval on the ballot of the best choice the Board could have made will be for the best interests of Narberth and its schools.

In borough and school affairs, we select and elect the best fitted individuals who are willing to serve regardless of political parties.

INDEPENDENT VOTER.

## Community Club Notes

### EXECUTIVE BOARD HOLDS MEETING—NEW COMMITTEE IS FORMED—CHANGES ANNOUNCED.

The Executive Board of the Community Club held its first meeting Monday, September 12th. Plans were discussed for the new year and the ball started rolling for the fall work.

A new department of Club activity was formed—that of "Home Comforts for the Sick." Mrs. Livingston, who has been in touch with other clubs who have carried on this work successfully, has been appointed chairman.

It is proposed to establish a depot of such supplies as are appropriate for this purpose to be rented at a nominal sum to any resident of Narberth. There are many things needed in cases of severe illness, which, though used for only a short time, add materially to the expense of the occasion. Such supplies, sterilized, will be kept on hand for the use of the community for a moderate charge. Such a department has met with a quick response and a growing field of activity in other towns similar to Narberth, and the Board feels that the work will not only soon justify itself, but will be the foundation of larger work needed in the community.

It is requested that those who have been earning money for the Building Fund will make their reports before the end of September to Mrs. Robert Nash, Grayling Avenue.

October 11th is the date of the opening luncheon, which promises to be the most interesting of these delightful occasions. The cards will be out in a few days and an early reply will be necessary to secure a place.

The following additions and changes in the Executive Board have been announced:

Recording Secretary, Mrs. Dunlop. Comforts for the Sick, Mrs. William Livingston.

Music, Mrs. A. B. Ross.

Board of Directors: President, Mrs. Clarence P. Fowler; vice-president, Mrs. Robert J. Dothard; secretary and treasurer, Mrs. Robert J. Nash; Mrs. Abram B. Ross, Mrs. Milton Alexander, Mrs. Edward C. Batchelor.

## Home and School Association Formed

New Organization Gets Under Way at Meeting in Elm Hall Last Thursday Night

The Narberth Home and School Association designed to act as a co-operative body between the parents, teachers and school directors, was formed at the Parents' Meeting held in Elm Hall last Thursday night.

Despite the short notice given of this meeting, there were 150 parents present. The meeting was called to order shortly after 8 o'clock by Mr. Fred C. Patten, Narberth Scoutmaster. In his introductory address, Mr. Patten stated his reasons for calling the meeting, a realization of the school problem through its significance in Scout Work. He stated that because of the low standard of marks held by the boys of the local troop last year, it was impossible for them to have any basis for scholastic competition, a feature of Scout work.

The first business of the meeting was the selection of a temporary chairman. Nominations were made and a ballot taken, by which Mr. Walton M. Wentz was elected to the position. The selection of a Secretary was deferred until the first regular meeting, Mr. Patten acting in this capacity until that time. The subject of a name for the new organization was next brought up, the name selected being the Home and School Association.

The meeting was then opened to general discussion, a number of parents bringing forth experience of their children which led them to feel that our schools were not functioning in the best possible manner. Many suggestions brought forth in this matter were referred to the new body for future action.

A protest was voiced against the practice of reducing general scholastic gradings because of poor deportment. In fact, a large part of the discussion dealt with the low standard of discipline, and with methods by which the parents can co-operate with the school administration in improving the general conduct of the scholars.

It was stated in the meeting that reports were to be issued monthly this year, instead of quarterly, and it was suggested that future meetings of the new Association be called immediately after the issuing of the reports.

The principles of the organization, as brought out in this first meeting, will be co-operation, assistance, interest, and avoiding of any antagonism. A still larger attendance is looked for at the first regular meeting, announcement of which will be made in these columns. Parents who were unable to attend the organization meeting may enroll by communicating with Mr. Patten.

## First Meeting of American Legion

SEASON'S ACTIVITIES TO BE STARTED BY MEETING ON MONDAY, SEPTEMBER 26. FLETCHER STITES TO SPEAK.

The Harold D. Speakman Post 356, American Legion, will open their winter activities by a mammoth meeting in Elm Hall, Monday night, September 26, at 8.00 o'clock.

The address of the evening will be given by the Hon. Fletcher W. Stites, and several entertainment features are being arranged. Every member is urged to come out for this big affair.

### New Residents.

The Post wishes to get in touch with all residents of Narberth, ex-service men, who are not members of the Narberth Post. This applies particularly to newcomers. The Membership Committee has been very active, but often does not hear of a new arrival for some time. Narberth men eligible to membership are asked to communicate with Harry A. Simpson, Post Adjutant, phone Narberth 636, as soon as possible.

The Post now has 87 paid-up members, a very high number in proportion to the number eligible. This is better than the general average of the American Legion, and the officers wish to make special efforts in the next two weeks to increase this number.

H. Newton Compton has been chosen as delegate to the State Convention at Pittsburgh on the 22nd, 23rd and 24th of this month. He is ex-Finance Officer and one of the founders of the Post. A report from this delegate will be given at the meeting on the 26th.

### Winter Dances

The schedule of fall and winter dances will be announced shortly. The first is to take place very soon. These open dances were very popular last winter, and formed one of the big features of the Post's activities.

## Editorial

### CO-OPERATION IN SOLVING THE SCHOOL PROBLEMS

"Well begun is half done"—yet there remains much to be done in order to place the newly formed Home and School Association on a proper footing.

Co-operation was the spirit of last Thursday's meeting and the spirit which pervaded the gathering was one of helpfulness and higher ideals in school affairs.

In the establishment of a body of this kind, careful thought must be given to the selection of officers, and the action of the temporary chairman in withholding the election of officers until the next meeting is to be commended. Our Town urges every citizen of Narberth interested in School matters to give careful thought to the real purpose and meaning of the new association, so that when the second meeting is held, intelligent and deliberate action may be taken on the problems presented.

The School Board has always welcomed the advice and co-operation of the parents, and the Home and School Association, organized for the purpose of assistance and co-operation, can be a big factor in school affairs.

## Communications

To the Editor of Our Town:

I hear much complaint of the careless manner in which weeds are allowed to grow on vacant lots in the borough. A conspicuous example is on the lot corner of Narberth and Wayne avenues. The growth there is a disgrace to the neighborhood, yet protest to the lot owner is disregarded. Cannot the borough take action in such cases? Certainly the Board of Health could, as this weed growth is a cause of throat trouble with many persons. Also the Civic Association might interest itself in getting abolished the mud-hole that has existed a year or more past at the junction of Narberth and Woodbine avenues.

Passing from censure to praise, the excellent work of the present garbage collector, so prompt and regular, should be fully recognized by the community, as compared with the slack work of previous years. It is to be hoped this same service will continue another year.

CAMOLEN.

### MANY NARBERTH FOLKS ATTEND NATIONAL TENNIS CHAMPIONSHIP MATCHES

One way to tell this bit of news would be to reprint the membership list of the Narberth Tennis Association, and then add the Main Line telephone

directory for good measure. But an even simpler and more direct method is to state that Narberth was well represented this week at the National Tennis Singles Championship matches held at the Germantown Cricket Club, Manheim.

Mr. and Mrs. Walter Cowin and Miss Marjorie Cowin were in the grandstand every day of the tournament.

F. M. Justice and Miss Carol Justice were noticed on several occasions.

Otto Kruse and W. D. R. Hall were among the "every day regulars" in the North Stand.

Mr. and Mrs. Berton Simpson found time between the big matches to take in several of the contests on the other courts.

Mrs. Otto Kruse and Mrs. F. G. Van Auker were there the opening day.

Among others seen in the grandstands and around the side courts during the week were J. F. Donnelly, Roy Williams, Howard Whitney, Jesse Harris, Carroll Downes, R. C. Sharp, H. C. Fenn, William Bailey, Walter Shimidzu Shaw, William J. Kirkpatrick, James McKell, Hugh McAbill, and many, many others.

### ABOUTS CONTROVERSY AMONG LOCAL PEOPLE WHO ARE NORMALLY GOOD FRIENDS

New Book in the Community Library

"The Mirrors of Washington" was put into circulation by the Community Library last week and a group of five local people, all friends, gathered to read it out loud. The article on Senator Lodge was read first and met with what appeared to be fairly general approval, for the Massachusetts Senator has never attracted warm admirers, even among people who on the whole shared his political views. Next it was decided to see what the unknown writer had to say about Wilson and that started things. It looked for a time as though domestic felicity of long years' duration had reached a sudden and tragic ending.

The Wilson article is really the most unsatisfactory in the entire book, for while it is distinctly unfriendly to the former President it so belittles him as to make him appear a foeman unworthy the seriousness with which the Republicans regarded him when he was in power. That article satisfies neither his friends nor his foes.

This book is unquestionably the work of a newspaper man of some, but not necessarily first-rank prominence. It would carry greater weight with thoughtful people if the author was more consistent in his own principles of judgment. If he dares both Wilson and Lodge, where does he stand? The author evidently has had many opportunities for inside information and he enjoys giving what he believes to be the true inwardness of ambitions and events which shaped the careers of an important group of Americans who were prominently before the public during the war.

Senator Penrose is treated in a distinctively favorable light, one which seems to be consistent with his "latter phase" that is now being manifested. Hoover is belittled into a small man animated with an engineer's mind and a strong appetite for personal publicity. Few will agree with or believe the Hoover article. The article on Harding is in tone and manner perhaps the best in the book. Other subjects of this anonymous pen are Senator Knox, Senator Borah, Col. House, Bernard Baruch, Lansing, Hughes and others, not including, however, the enigmatic Coolidge, whose star arose later in an eccentric orbit all its own.

Patrons of the Library were glad last Friday to find Mrs. Horace Ruel, the distributing librarian, back in her regular place after her summer vacation. Mrs. Ruel found that the work of her desk had steadily increased since the middle of the summer and was pleased, when the day ended, to record the largest patronage and the greatest number of books taken out that has yet developed in the brief history of the local Library.

One detail which library patrons like is the fact that it is not necessary to have a card before books can be borrowed. There is no red tape. The books are simply charged to the name and address of the person who selects them for reading.

### TENNIS AUXILIARY HOLDS CARD PARTY

The Ladies Auxiliary of the Narberth Tennis Association began their social activities for the season with a Bridge of 15 tables in the Club Room.

The room was attractively decorated with hanging baskets of fall flowers.

It was unanimously expressed by those present to have been one of the most successful affairs ever held in Narberth.

Refreshments were served by the hostesses, Mrs. R. C. Williams, Mrs. G. B. Sefton, Mrs. J. A. Newell, Mrs. W. Y. Shaw, Mrs. W. E. Bower and Mrs. Hartley.

## POLITICAL ADVERTISEMENTS

Our schools are the foundation of our democracy—they are the mills which turn out future citizens.

Autocratic control of our school affairs is contrary to the principles of the free institutions they were established to preserve.

Not the School Directors, but the people themselves, should choose the candidates to fill vacancies when they occur on the Board.

This Committee recommends to both the Republican and Democratic voters the candidacy of Harry M. Chalfant and Mrs. Abbie W. Nickerson for nomination for School Directors on their respective ballots, as against the re-election of the present Directors, whose terms expire.

Both Mr. Chalfant and Mrs. Nickerson are subscribers to a policy of co-operation with the parents and teachers to correct the evils which now so seriously impair the efficiency of our Narberth schools, and through this co-operation, and with singleness of purpose, bring our schools up to a standard comparable to that of the best in the country.

### INDEPENDENT VOTERS' COMMITTEE

L. M. KEIM,  
Chairman.

To the Voters of Narberth:

This advertisement is placed in "Our Town" entirely upon the initiative and responsibility, and at the personal expense, of the writer. Being familiar with the local School situation, I feel that it is my duty as a citizen of Narberth to take up the cudgels in behalf of the candidates of the Republican Party for School Director.

The Democratic Club of Narberth announces that there is widespread dissatisfaction with the conduct of our School affairs and then proceeds to present its candidates for the office of School Director, the inference being that if these are elected this alleged widespread dissatisfaction will disappear.

It may be true that the record of our School for the year ending June 30, 1921, was not all that could have been desired. In all fairness, however, it must be remembered that the School year opened with a new Principal at the helm and an entirely new High School Faculty. These people, all strangers to Narberth, were confronted with the difficult task of overcoming the marked let-down in the discipline and morale of a large part of the student body which had developed during the previous School year, a condition which could not have been foreseen by the Directors. Everything humanly possible was done by all concerned to bring about a better state of affairs and considerable progress was made, but it could hardly be expected under the circumstances that the result of the year's work would be satisfactory. The present School year opens under much more favorable auspices and the Directors, as well as the Principal and Faculty, feel confident of the result. It is rather early to make predictions, but the indications so far are most encouraging. A new spirit seems to prevail in the student body, and unless signs are deceiving, the present School year, from every standpoint, will be one of the best in the history of our School. Therefore, I believe it would be a fatal mistake to make any change in the Board of Directors at this time.

There is an additional school building in contemplation, and as soon as legal difficulties can be overcome, the taxpayers will be asked to authorize a new school loan. The details of construction of this building will come under the supervision of the chairman of the Property Committee. Mr. Dothard now occupies that position and will continue to do so if re-elected. Mr. Dothard is Superintendent of Buildings of the Pennsylvania Railroad, and our School is fortunate in having a man of his calibre, knowledge and experience in charge of the School property. He did not desire re-election and consented to stand for the office only after extreme pressure was brought to bear by his fellow Directors.

I cannot see what can be gained, but I can discern quite clearly what would be lost by replacing Mr. Dothard at this critical time.

As to Mrs. Batchelor. It became evident to the Directors some time ago that the sentiment of the Borough was in favor of there being a woman on the Board. Therefore, when a vacancy occurred last July, the Directors cast about for the most likely candidate to fill the vacancy, at least until election time. The consensus of opinion, as gathered from various sources, was decidedly in favor of Mrs. Batchelor, president of the Women's Community Club. The Board thereupon offered her the appointment and was glad to receive her consent to serve. In view of Mrs. Batchelor's wide knowledge of educational affairs, the active interest and ability she has displayed in civic matters, and the efficiency she has so far shown in School matters, I feel that her presence on the Board meets with the approval of the parents of Narberth, as it does with her colleagues.

A vote for Mr. Dothard and a vote for Mrs. Batchelor will, in my humble opinion, be for the best interests of the school children of Narberth.

FIRST DAHLIA SHOW OF SEASON  
AT NORWOOD LAST SATURDAY.

A little early for a dahlia show, but, nevertheless, they were there—some fair and some very, very good. Roses were there. The show was held in the schoolhouse auditorium, by the way, and there was quite a collection of gladioli.

Asters there were, and zinnias and marigolds and cosmos. The exhibition was held by the Norwood Horticultural Society, and vegetables, all kinds, some big specimens—fine soil in Delaware County.

Fruits were exhibited, too, but somehow the main interest was in the flowers, and, of course, at this season it centered on the dahlias.

The main attraction, however, was the Interborough Class, the award a fine silver cup, and it did bring out the dahlias. The class called for eighteen blooms in a vase or basket entered by a horticultural society or garden club, the flowers from the gardens of its members.

A finer exhibit could hardly be imagined, every color, all forms, huge blooms, but the judges selected one beautiful basket that outshone all the rest, and when the envelope was opened it contained the seal of the Garden Club of Narberth.

## Special Letters on

## Board Question

(Continued from Page 1)

To the Editor of Our Town:

As suggested in your issue of last week, the following letter to me should answer your request for a statement of a platform.

LEWIS M. KEIM.

Professor Lewis M. Keim,

Narberth, Pa.

Dear Mr. Keim:

I am in receipt of your letter relative to the pending election of members of the Board of Education. To you I will say what I have said to others who have approached me on the same question: I do not covet the responsibility of such a position, but if the voters of Narberth see fit to lay it upon me I will not shirk.

I believe the following policy should be followed in the conduct of school affairs:

1. Boost our High School. It ought to be and can be made equal to the best in the State.

2. Emphasize the idea of comradeship between teachers and pupils as a method of securing better discipline. I have learned both as a parent and a teacher that ninety per cent. of the problems of discipline can be solved in this way. The Scout Masters of America have given us a mighty fine illustration of the power of comradeship in dealing with youth.

3. Insist on loyalty to our teachers. Only those who have had actual experience are able to appreciate the enormous expenditure of nervous energy daily required by these, the most useful of our public servants. If they make mistakes or manifest incompetency, such matters should be handled through the Superintendent and Board. The sorriest thing we can do is to discredit a teacher in the minds of our own children.

4. I object to anything of a sectarian character in our public schools, but, on the other hand, have a strong conviction that there our children should learn, both by precept and example, those fundamental and Christian beliefs which constitute the chief cornerstone upon which our Republic is built. Therefore, I feel that in the school as a whole, or in each individual room, there should be a definite time set aside daily for the reading of a lesson from the Scriptures, which is in accordance with the law of the State. At the same time there should be a brief invocation of the divine favor, a custom universally followed by our State and national law-making bodies.

Finally, permit me to repeat what I have publicly said before, that I think our school property should be more largely used for community purposes than it is at the present time. The gathering of our citizens at the school for the purpose of amusement, enter-

tainment, civic welfare, etc., is certain to result in a deeper interest in our educational enterprises. Such being the case, I am strongly convinced that we are by no means getting the results which we ought to get from our school property as a community centre.

Sincerely yours,

(Signed) HARRY M. CHALFANT.

To the Editor of Our Town:

Mr. Robert J. Dothard needs no defense as to his capability as a member of the Narberth School Board, and his re-election at the November election will prove that his services have been and are appreciated, regardless of what political party he represents.

To the voters of Narberth not in touch with the workings of our School Board, let it be known that Mr. Dothard's work in planning our present and future school buildings is a service that can be duplicated by few men on the Main Line. As chairman of the Property Committee we have the services of a man whose calling and training make him one of our Borough's finest assets.

To nominate or suggest the name of anyone else for election to attempt to fill his place at this time would be an affront to the finest effort a citizen can make, to give his time and real ability that we may have better schools, and absolute ignorance of conditions.

Mr. Dothard's name will be on the ballot for re-election.

An advertisement in last week's issue of Our Town says, "In view of the fact that there is widespread dissatisfaction with the conduct of our school affairs."

The term "widespread" might be narrowed down to a few who are not in possession of the facts, and surely no good results could be obtained by attempting to "usurp" Mr. Dothard's place, as he and Mrs. Batchelor are the only candidates for re-election.

BUCKS COUNTY COUNTRY CLUB  
AT NARBERTH NEXT SATURDAY

The tennis team of the Bucks County Country Club, of Langhorne, will visit Narberth next Saturday afternoon, September 24, and be the guests of the Narberth Tennis Association, at the courts at Haverford and Montgomery avenues.

There will be nine club matches—six singles and three doubles. Our Narberth Association will be represented in these club matches by a team selected from among those players who stand highest in the all-summer rating contest.

This will be the third meeting between the Bucks County net stars and the Narberth Association. On two previous occasions our local players have been the guests at Langhorne and in each instance Narberth has won the meet.

Next Saturday, however, it is expected that the Bucks County Club will send down an especially strong team, so the afternoon ought to provide a number of good and exciting contests.

A feature attraction of the afternoon will be the final match to decide the Narberth Singles Championship for 1921, which will probably be scheduled to open the program.

### FIFTH RED CROSS ROLL CALL.

To Chairmen of All Branches:

Your special attention is called to the fifth annual enrollment of members in the American National Red Cross, which will take place November 11th to 24th, 1921 (Armistice Day to Thanksgiving Day). November 13th will be Red Cross Sunday.

The Roll Call is the activity organized for the collection of yearly dues from the individuals comprising the Red Cross membership, and will be successful in proportion to the degree of earnestness and energy displayed, and the completeness of the organization of each Branch.

Red Cross obligations may be summed up as follows:

Continuation of measures in behalf of America's sick and disabled veterans of the World War.

Service to the peace time Army and Navy.

Protecting the life of the nation against sickness and disease through health service, and by increasing the country's facilities for nursing.

Continued preparedness for local disaster relief and replenishment of the funds expended for national and international disasters.

Production of garments and surgical dressings for local and national use.

The accomplishment of these tasks depends on a successful Roll Call.

You should appoint a Chairman of the Roll Call in your Branch at once and send the name and address to the Chapter office.

The prompt delivery of the necessary supplies for the use of your Roll Call workers is dependent upon notification to the Chapter office of the appointment of your Roll Call Chairman.

The Roll Call will be a success in your Branch if you organize thoroughly to cover your district, and if you maintain an energetic publicity campaign. There is no other way to secure creditable results.

This organization should begin NOW, and pledges to serve should be secured from volunteer workers.

**Or words  
to that effect**

IT BEATS the band.  
THE WAY this thing.  
KEEPS POPPING up.  
THE OTHER night.  
I BROKE all rules.  
AND READ a high-brow book.  
AND HERE'S a hot one.  
THAT IT handed me.  
"MANY OF us find.  
THAT TASTE affords.  
ONE OF the fairly.  
DEPENDABLE SATISFACTIONS.  
OF EVERYDAY living.  
AND IT seems.  
UPON LONG reflection.  
THAT SATISFACTION.  
COMES CLOSE to being.  
THE LONG sought.  
"HIGHEST GOOD."  
OF COURSE that isn't.  
WRITTEN WITH the ease.  
AND POLISH to which.

WE ARE accustomed.  
BUT IT'S a mouthful.  
AS YOU'LL agree if you.  
JUST PUT it into good.  
UNITED STATES, like this.  
"SON, YOU'LL be running.  
ON FOUR flat tires.  
IF YOU don't hurry.  
AND WRAP yourself around.  
THE ONLY cigarette.  
THAT SATISFIES."

"THEY Satisfy"—nothing else so well describes Chesterfields' mildness, their mellowness, their delicacy of aroma and smooth, even "body." It took the finest varieties of Turkish and Domestic tobaccos to do it—and the highest order of skill in blending them. Yes, the Chesterfield blend is a secret. It can't be copied.

Have you seen the new  
AIR-TIGHT tins of 50?
